

# CODE OF ETHICS

With high regard for the surveying profession a member of the Utah Council of Land Surveyors abides by the following Code of Ethics:

1. Acts for their clients and the public in an unbiased manner and accepts remuneration for professional services rendered
2. Exchanges information with other professional land surveyors and other related professions.
3. Brings credit, honor and dignity to the surveying profession.
4. Upholds the principle of appropriate and adequate compensation for professional land surveyors and those in their employ.
5. Avoids dissemination of false information which may harm another surveyor's professional reputation.
6. Solicits surveying work in a professional manner without undue influence.
7. Encourages contract negotiations and fee determination without prior knowledge of competitors' fees
8. Encourages other professional land surveyors to conform to ethical and professional practices.
9. Obeys all laws pertaining to the surveying profession.
10. Avoids interfering with another's existing surveyor-client agreement.
