

As a **Crew Chief**, you will be responsible for leading a crew of up to 3 people to collect data for boundary, planimetric, and topographic surveys. This position involves significant travel (up to 75%).

DUTIES

- Determine most efficient plan of action for data acquisition for field surveys ranging from primary control through construction layout and as-builts, as needed
- Understand and follow directions
- Proficient with documentation of work performed and sketches
- Communicate daily with Project Surveyor and technician regarding project schedule and work progress
- Interact professionally with client representative and land owners
- Ability to work in inclement weather and walk in remote locations at times
- Read and interpret construction drawings/specifications and understand all aspects of the project specifications and tolerances
- Prepare daily reports, time sheets, and other required paperwork
- Maintain vehicle and field equipment
- Other duties as assigned

REQUIREMENTS

- 3+ years of experience in a party chief or supervisory role preferred
- Surveying experience with either tower sites, electric transmission lines, Oil & Gas, and/or transportation projects
- Ability to keep your own field book
- Experience with Trimble Total Stations, Levels, Trimble R10 GNSS GPS Receivers and Tablet data collectors preferred
- Valid driver's license, in conjunction with successfully passing the company MVR requirements, clean background check and drug screening
- Ability to travel for extended periods (up to 75%)
- Experience with AutoCAD applications and/or Trimble Business Center is a plus
