

Surveyor / Drafter

Canyon Fuel Company, a subsidiary of Bowie Resource Partners, has an immediate opening for a full-time Surveyor/Drafter at the Sufco Mine which is an underground coal mining operation located approximately 30 miles east of Salina, Utah.

Responsibilities

- Routine placement and checking of surveying sight for underground mining operations
- Preparing and maintaining mine maps, civil, electrical, and mechanical drawings using AutoCAD
- Preparing monthly volumetric assessments of mined areas and stockpiled tonnages
- Conducting surface surveying activities, as required. This work will include subsidence surveys, property/permit area boundary descriptions, support for exploration activities and targeting for aerial surveys.

Qualifications

Required Qualifications:

- 2-year Technical degree or equivalent work experience
- Experience in standard surveying principles/practices, calculations, and note reduction
- Excellent computer skills (AutoCAD, Civil3D, Excel, Word, PowerPoint)
- Strong communication and interpersonal skills
- Ability to travel over uneven surfaces, climb/descend ladders, and lift/carry up to 50lb objects on a regular basis

Desired Qualifications:

- 4-year Technical degree of equivalent work experience
- Professional Surveying License (PLS)

Compensation

Benefits Include:

- **Hourly rate of \$22 - \$33, based on experience**
- Medical, dental, vision, Rx
- 401(k) plan with company match
- Retirement plan
- Production bonus
- Paid holidays/vacations
- Employee assistance program
- Company provided life and AD&D insurance

Post-offer drug and physical screening required.
